April 5, 2020

Consistent with the Governor's ban on non-essential travel and in partnership with the Otsego County *Safer at Home* policy, the City of Oneonta expects that hosts will rent their property only under conditions of great urgency. In those circumstances, hosts should notify any out-of-town occupants that they will be expected to self-quarantine for 14 days and to notify the Otsego County Department of Health upon their arrival. More information is available in the attached letter and poster.
